Individual Executive Coaching Roadmap to Your Success

01

Personal Genesis: Charting Your Course

The journey commences with a tailored welcome and a comprehensive assessment to chart a clear course for your personal leadership development.

02

Blueprint for Growth: Tailored Strategy Development

Initial 360 assessments are followed by a detailed debrief, crafting a bespoke development plan that aligns with your unique leadership aspirations and challenges.

03

Accelerated Evolution: Targeted Coaching Interventions

Bi-monthly coaching sessions over the course of several months provide you with the insights and tools necessary to enhance your leadership skills and accelerate professional growth.

04

Reflective Checkpoints: Strategic Progress Evaluation

Every four months, these checkpoints offer chances to assess growth and adjust objectives for better outcomes. They are key for measuring progress and refining goals.

05

Progressive Deep Dive: Charting Continued Excellence

The program culminates in a reflective reassessment to celebrate your achievements, solidify your learning, and outline a forward-looking strategy for ongoing leadership excellence.

Team Synergy Coaching: Crafting Collaborative Excellence

01

Synergistic Beginnings: Team Unification

Month 1 kickstarts with a comprehensive 360 LEAD Now assessment and a 2-day offsite event, where executive teams unite, set collective goals, and lay the groundwork for a culture of collaborative leadership and strategic change.

02

Collective Advancement: Strategic Team Building

Teams engage in bi-monthly regular coaching sessions, fostering a harmonious blend of individual strengths and team dynamics to drive strategic execution and enhance problem-solving capabilities.

03

Consolidated Progress: Collaborative Milestones

A dedicated half-day session in month 4 serves as a pivotal moment for teams to consolidate their learning, assess progress, and engage in deep-dive problem-solving, realigning on goals and adjusting strategic planning.

04

Reflective Synergy: Full Circle Integration

The final coaching activities in month 8 include a reassessment and a half-day session to reflect on team achievements, integrate feedback into future planning, and mark the transition from structured coaching to autonomous excellence.

Leadership Development: Building Visionary Leaders

Foundational Insights: Unveiling Potential

In the first month, participants receive a welcome package and engage in a kickoff session, featuring a 360 assessment, group results review, learning activities, and planning. This lays the groundwork for personalized development and team cohesion.

Strategic Evolution: Cultivating Leadership

Spanning months 2 to 7, participants engage in bi-monthly executive coaching and mastermind group sessions, fostering strategic leadership skills and nurturing a collaborative environment for personal and professional growth.

Reflective Mastery: Sharpening Acumen

As the program nears its conclusion in month 8, a re-assessment of leadership skills allows participants to reflect on their journey, analyze their growth, and refine their objectives with clear, actionable insights.

Leadership Apex: Celebrating Achievement

The program culminates in a graduation event, where leaders reflect on progress and measurable results, crystallize their forward-looking plans, and develop a go forward plan for how they will continue to translate their learnings into impactful leadership actions.
